Expenses and Outlook

費用與展望

Operating costs stayed close to budget. Salaries ran slightly over; marketing came in under plan. Revenue minus operating expenses leaves an operating margin of about 72 percent.

Operating expenses (thousand USD)

Category	Budget	Actual	Variance
Salaries	820.00	845.20	-25.20
Marketing	240.00	198.40	41.60
Cloud and IT	150.00	162.75	-12.75
Travel	60.00	41.10	18.90
Office	45.00	44.30	0.70

Outlook

We expect revenue to grow again in the fourth quarter, led by the East and North regions. Cloud costs will rise with the new data platform; travel stays limited.

第四季預期營收持續成長，雲端費用會隨新的資料平台增加。

Notes 附註

1. Revenue figures are unaudited and rounded to two decimals.

2. Regions follow the 2026 sales territories; East includes the new Kaohsiung office.

3. Expenses are booked when invoiced, not when paid.
